Teen Music Events

Recreation Department Staff have met with Mr. Richard Giglio and Park and Recreation Board Member Phil Hammett to discuss the feasibility of offering music events for teens in Coronado.

Mr. Giglio is willing to provide the following:

- Recruit and schedule bands to play at events
- Supply sound system
- Regulate the performance and behavioral standards/policies for participating band members

The Recreation Department would provide and coordinate

- Venue
- Staff
- Program
- Security
- Publicity
- Ticket Sales
- Attendance policies
    - Strict age categories (separate event times)
    - Coronado participants and guests only
    - Behavioral expectations and policies

The Community will be asked to participate as follows:

- Service Clubs/Businesses to sponsor events
    - Provide prizes for contests and “give-aways”
- Volunteer chaperones
- Post event ads and information
- Provide venues

The Park and Recreation Board can consider supporting this program concept, and discussing ways for the Board to become involved in seeking community support and participation or other involvement in these events.

Modification of ordinance prohibiting skating/skateboarding on public streets and sidewalks.

Attached is a copy of the current ordinance regulating skating and skateboarding in the community.

The Park and Recreation Board may consider and discuss possible modifications to the ordinance which could facilitate the use of skateboards and rollerblades as a means of transportation in the City.

Any recommendations from the Board would require the reviews of staff in the Police and Public Services Departments, and eventually the approval of City Council.
