Application for Public Services Permit

Planting Address/Location: _____
Resident's Name: _____
Resident's Address: _____
Resident's Contact Info (phone & e-mail): _____
Permission is requested to plant (size of tree, species, spacing, etc.): _____
_____

* Include an attached satellite overhead map (Google Map or other comparable map), clearly and explicitly indicating where you are requesting to plant the tree or each of the trees.

Contractor's Name: _____
Contractor's Address: _____
Contractor's Contact Info (phone/e-mail): _____
Contractor's State License No. _____
Contractor's City Business License No. _____

Prior to the issuance of this permit, the Contractor shall file and maintain with the City a valid and current policy or policies or sufficient certificate or certificates evidencing said policy or policies of liability insurance covering all operations of the Contractor and/or his agents, employees and subcontractors, and whether liability is attributable to the Contractor or to the City. The policy or policies shall contain an endorsement naming the City as additional insured and providing that the coverage is primary insurance and not contributing with other insurance available to the City, and shall protect against such risks and shall be in such form as shall be satisfactory to the City Attorney, with the following minimum limits:

Bodily Injury	Combined
(Including death)	single limit
Property Damage	$1,000,000

** Include a copy of the certificate or proof of insurance, as specified above, with your permit request.

I hereby certify that I have examined this application and that the information provided is complete, true and correct. I am aware of the provisions of the Coronado Municipal Code relating to permits for work in public rights-of-way and will abide by such provisions in performing the work. I further agree that, should any damage to public property occur as a result of or in the process of planting any street tree, I will accept responsibility for the cost of necessary repairs.
