City of Coronado	**BMP Construction Self Certification** **Form 5** **This form must be completed by the applicant's Engineer of Record and submitted <u>prior</u> to issuance of the Certificate of Occupancy.**

Project/Permit Applicant: _____ Date Prepared: _____

Project/Permit Number: _____ APN #: _____

Project Address: _____ Coronado, CA _____

Project Engineer: _____ Phone Number: ( ) - x _____

Project Engineer Email: _____

The purpose of this form is to verify that the site improvements for the project, identified above, have been constructed in conformance with the approved Standard Urban Storm Water Mitigation Plan (SUSMP) documents and drawings.

Completion and submittal of this form is required for all new development and redevelopment projects in order to comply with the City's storm water ordinances and NPDES permit order No. R9-2007-0001. Occupancy inspection and approval may be delayed if this form is not submitted and approved by the City of Coronado.

Certification:

As the professional in responsible charge for the above project design, I certify that I have inspected all constructed Low Impact Development (LID) site design, source control, and treatment control BMPs required per the approved Standard Urban Storm Water Mitigation Plan (SUSMP), and project drawings; and that said BMPs have been constructed in compliance with the approved plans and all applicable specifications, permits, ordinances and order No. R9-2007-0001 of the San Diego Regional Water Quality Control Board.

I understand that this BMP certification statement does not constitute an operation and maintenance verification.
