Council Chambers

1. ROLL CALL

2. DISCUSSION ITEMS: Presentation of the Subcommittee's proposals for minor changes to the original RSIP development standards, adopted by City Council in 2005.

The zoning standards being reviewed pertain to single-family residential zones only. The objectives of the original RSIP was to reduce bulk and mass, enhance neighborhood appearance, protect neighbors' privacy, and preserve Coronado's quality of life and village atmosphere.

3. ORAL COMMUNICATIONS: Each person wishing to speak before the Subcommittee on any matter shall approach the Subcommittee; give name and address, and limit address to three minutes. State law generally precludes the Subcommittee from discussing or acting upon any topic initially presented during oral communication. Your information may be received, placed on the next agenda or referred to the appropriate City staff.
