Re: Petition Requesting the Initiation of Proceedings to Consider the Formation of an Assessment
District to Finance the Costs of Undergrounding Existing Overhead Utilities

Dear Mayor and Members of the City Council:

We are the owners of the properties located in the City of Coronado which are identified adjacent to our signatures below and are also shown on the map attached to this Petition as Attachment A hereto.

The Owners respectfully petition the City Council to initiate proceedings pursuant to the Municipal Improvement Act of 1913 (Streets and Highways Code Section 10000 and following) to consider the formation of an assessment district for the purpose of financing the costs of undergrounding certain existing overhead utilities. The properties proposed to be included within the boundaries of assessment district are shown on Attachment A.

We understand that if the City Council elects to initiate the proceedings to consider the formation of an assessment district as we have petitioned:

1. The record owners of the properties proposed to be assessed will receive notice of a public hearing to be held by the City Council. At such public hearing any interested person may present written or oral testimony and the City Council will consider all objections or protests to the proposed assessment.
2. The record owners of the properties proposed to be assessed will also receive an assessment ballot by which such record owners may express their support for or opposition to the proposed assessment.
3. All assessment ballots received by the City prior to the conclusion of the public hearing will be tabulated following the conclusion of such public hearing. The City Council shall have the authority to form the assessment district and levy the proposed assessments only if the assessment ballots submitted in favor of the levy of the proposed assessments exceed the assessment ballots submitted in opposition to such levy. In tabulating the assessment ballots, the assessment ballot for each parcel is weighted by the amount of the assessment proposed to be levied on such parcel.

In submitting this petition we are not waiving our right: (a) to testify orally or in writing at the public hearing described above, (b) to object to or protest the levy of the assessments if we do not agree with the amount of the assessment proposed to be levied on our property or (c) to submit an assessment ballot in opposition to the levy of the proposed assessment on our property if we do not agree with the amount of such proposed assessment.

This petition is respectfully submitted by:
