CORONADO LIBRARY HIGHLIGHTS

BACK TO SCHOOL 3D PRINT CHALLENGE

HEY TEENS!

The library has a 3D print challenge for you!

Summer's almost over and it's time to take your 3D prints Back to School!

Think classroom gadgets, homework hacks, locker decorations, even school-yard shenanigans. We want to see what you can 3D print that can be useful for school.

You can design an original object or find one you like online to print out.

You don't have to print your object here at the library.

Once you print your object, submit it by bringing it to the reference librarian at the library and filling out a short entry form. A panel of judges from the library will decide on the best design based on originality, print-quality, functionality, and overall awesomeness.

The winner will be awarded a handsome prize and a lifetime of bragging rights.

The challenge is open to library patrons 12-18 years old from August 1st to August 29th.

If you have questions, please ask a librarian.

Pencil Case?

Cord Organizer?

Cell Model?

Bookmark?

Drafting Set?

What Will YOU Make???

Check out the Library Exhibits

In the Exhibit Gallery:

Made in America

August - September

This exhibit depicts a time in America when factories dotted the country and heavy industry could be found in every large city.

In the Children's Display Case:

In the World of Harry Potter
